

The **Revista Eletrônica de Enfermagem (REE)** (ISSN 1518-1944), is a free open access journal, trimesterly published by Nursing College of the Federal University of Goiás (Brazil), only available at the home page <http://www.fen.ufg.br/revista/>. The Journal's mission is to disseminate peer reviewed scientific academic knowledge developed by Health Sciences researchers and workers empathized in Brazilian and foreign Nursing. Manuscripts, written in Portuguese, English or Spanish, submitted for consideration ought to be original, not previously published or submitted for publication elsewhere.
